INSTITUTE OF PETROLEUM

REVIEW

Honorary Editor:
E. B. EVANS, M.SC., PH.D., F.R.I.C.

Honorary Associate Editor:
A. W. DELLER, D.F.C., F.R.S.A.

Editor:
M. J. WELLS

VOLUME SIXTEEN

1962

THE INSTITUTE OF PETROLEUM
61 NEW CAVENDISH STREET
LONDON, W.1

CONTENTS

The Cadman Memorial Lecture and Medal ... 1
Productivity in Oil Distribution in Britain ... 5
Around the Branches ... 11, 46, 79, 124, 159, 192, 231, 276, 303, 415
The World Tanker Fleet ... 15
Turkey's Mersin Refinery on Stream... 16
Ohio Refinery at Mannheim for Libyan Crude ... 18
Modern Processes for Nitric Acid Production ... 19
The 6th World Petroleum Congress, 1963 ... 20
British Production Over 100,000 tons for First Time ... 24
World Tanker Statistics Third Quarter 1961 ... 25
Personal Notes ... 26, 62, 92, 138, 175, 216, 242, 285, 320, 341, 392, 434
Branch of the Month ... 28, 94
The NLOGF Annual Dinner Again a Great Success ... 30
Petroleum in Parliament ... 32, 68, 101, 130, 257, 287, 328
The Oil Industries Club Silver Jubilee Dinner ... 33
Art Amongst the Oilmen ... 33
The Export of Saharan Natural Gas ... 37
Iraq's Record Oil Output in 1960 ... 49
Sahara Gas Well Still Blazes ... 50
Negotiations Resumed in Indonesia ... 52
7 per cent Increase in World Refining Capacity ... 54
Financing Europe's Growing Oil Needs ... 56
Fall in U.K. Equipment Orders ... 61
Drilling Report from Australia ... 66
Oil in the Gas Industry ... 67
Continued Growth of the World Tanker Fleet ... 68
U.K. Oil Consumption 8 per cent Higher ... 69
The Planning and Construction of the Esso Refinery, Milford Haven. *By* W. L. Sullivan ... 73
The Gas Formation at Hassi R'Mel ... 80
Agreement Signed for Rhodesia's First Refinery ... 80
Petroleum Trade of the United Kingdom in 1961 ... 81
Wax Facts and False Tracks. *By* Owen Colverd ... 84
Developments in South-east Persian Gulf ... 87
Report from Australia ... 90
BP Exploration in Alaska ... 91
The Future of Home Heating. *By* Richard Eve ... 97
Changes in Customs Calculation Methods ... 99
World Tanker Statistics Final Quarter 1961 ... 100
Industrial Petroleum Gases ... 102
The Annual Dinner ... 109
Speculative Tanker Building a Gamble ... 113
The Petroleum Chemicals Industry in the United Kingdom. *By* H. P. Hodge ... 114
Saharan Petroleum Reserves ... 121
The Kuwait Branch 10th Annual Dinner ... 122
Gulf Makes Third Bolivian Discovery ... 124
Growth of Road Traffic and Motor Fuel Consumption. *By* R. J. Smeed ... 125
Gauhati Refinery Goes on Stream ... 136
The Transformation of a Decade—The Oil Development of the Sahara ... 145
Bahrain Branch Annual Dinner and Symposium ... 157
Hydrocarbon Oil Duties—Budget Changes ... 164
Administrative and Supply Problems in Developing a New Exploration Area. *By* P. Wainwright and J. B. Howard ... 165
Birmingham Students Dinner ... 177
Some Problems of Private Enterprise in a Divided World ... 178
Shell Group's New London Home ... 179
Oilmen Spend £100 million in U.K. ... 181
A Review of 1961. *By* D. A. Glen, O.B.E. ... 185
Record Crude Oil Production in South Iran ... 195
The 2nd Chemical and Petroleum Engineering Exhibition ... 196
Gulf Official Forecasts Continued High Growth Rate for U.S. Petrochemicals Industry ... 203
Side Entry Mixers for Sludge Prevention in Crude Storage Tanks. *By* P. M. Davison ... 204
Present and Future Developments in the Petroleum Industry ... 211
The Launching of the "SS Regent Liverpool" ... 215

CONTENTS (continued)

World Tanker Launchings in 1961 ... 218
New Deep Water Terminal in Iraq ... 220
BICERA's New Fuel Injection System ... 222
The International Indian Ocean Expedition. *By* T. F. Gaskell ... 225
IP Council and Officers 1962–63 ... 229
The Welding of Pipelines. *By* R. J. Wright ... 233
ENI Group Expansion Continues ... 236
World Tanker Statistics First Quarter 1962 ... 241
The Third IP Conference on Spectroscopy ... 244
French Oil Companies Evacuate Algiers Staff ... 245
The BP Group in 1961... ... 246
Stanlow to Partington Pipelines ... 248
Murco Petroleum Opens its First Filling Station ... 250
The Work of the Warren Spring Laboratory in 1961 ... 252
Jet Enters a New Phase with Continental Oil Expansion ... 253
The World Oil Industry in 1961 ... 254
The Oil Industry Tomorrow 261
Oil in the Steel Industry. *By* R. W. Evans ... 269
Australian Oil Search to be Stepped Up ... 284
Oil Companies Spent £24 million in U.K. in First Quarter of this Year ... 287
Publications Committee Honours Retiring Chairmen ... 288
1961 Saw Increase in North American Reserves of Liquid Hydrocarbons and Natural Gas ... 289
U.K. Oil Consumption Rose by 12 per cent in First Quarter ... 291
The Effect of the Application of Scientific Principles on Some Oil Winning Techniques. *By* J. B. Tillott 297
Oil Comes to Abu Dhabi 304
Kuwait Oil Company Reports Record Production ... 309
Uses of Petroleum Products in Cosmetics. *By* T. A. Brock ... 315
Council Appointments ... 318
New Records for Aramco 319
Fawley to Severnside Ethylene Pipeline Now in Operation ... 322
Scottish Oil Consumption 14·9 per cent Higher in First Quarter ... 323
The U.K. Petroleum Industry in 1961 ... 324
Movement of Oil in Iran 325
World's Largest Drilling Ship Starts Operations in Alaskan Waters ... 326
U.S. Companies Join U.K. Oil Search ... 329
The Oil Deposit of El Gassi-El Agreb ... 333
Further Rise in U.K. Oil Imports 340
64 Per Cent Increase in Franc Zone's Oil Output 342
Greater Tanker Tonnage Under Construction in Second Quarter ... 348
BP Drilling Its First Deep Test Well in Greece 349
The Use of Centralized Lubrication on Heavy Industrial Equipment. *By* D. R. Pryce ... 350
6·7 Per Cent Increase in Crude Oil Production in 1961 ... 358
Management and the Technologist. *By* F. Mayo 369
British-based Oil Companies Spent £49 million in U.K. in First Half Year ... 373
Pipeline Confirms Moonie as Australia's First Commercial Oilfield ... 374
Scottish Oil Consumption 13·2 Per Cent Higher in First Half Year ... 376
The Role of International Oil Companies 377
New Floating Drilling Vessel Can Operate in 600 ft of Water 380
11 Per Cent Increase in U.K. Oil Consumption in First 6 Months of 1962 ... 381
Offshore Production in Qatar 386
First Phase of Coruña Refinery Project Completed ... 386
Chemical Engineering Contracting: A Service to Modern Industry. *By* F. P. Taylor ... 387
China's Plans for Self-sufficiency in Oil 390
New Wing for Shell Chemical Company's Technical Service Laboratories 391
West Germany's Petroleum Consumption Will Reach 50 Million Tons/Year by 1965... ... 395
Six Per Cent Increase in World Tanker Fleet's Carrying Capacity in 1961 396
Anglo-French Petroleum Meeting at Lacq 405
Sixth World Petroleum Congress. *By* M. J. Wells 420
Europe's Energy Problems Surveyed 422
Official Opening of Mersin Refinery 423
Petroleum and Chemicals in Agriculture 424
New Thames Terminal at Purfleet 432
